## Cautions:

1. Seniors and/or new users should limit the usage time to 5 min/section. You may increase the time usage by 5 minutes per section when you feel your body is well adapted.
2. Always unplug the unit from the electrical outlet when not in use.
3. Never insert finger or object inside the cushion.
4. Never use the product in the bathroom or in wet places.
5. Store in a cool dry place.
6. Do not hold the product by the wire as this may result in malfunctioning of the product.
7. Do not sit on this cushion to prevent any break down.
8. It is advisable to use the device at least one hour after meals.
9. An adult should supervise use of the device by a child or the physically handicapped.
10. Do not try to repair the device yourself or through any unauthorized persons or agent, or it will void the warranty.
11. Should the device malfunction, disconnect it from the power source and contact the authorized agent immediately.

## Description of each part

## Controller

# Cleaning and maintenance

## Cleaning

### WARNING

- Switch off the device each time before cleaning.
- **Clean the device with a slightly damp cloth only.**
- Under no circumstances may liquid enter the device or accessories.
- Do not use the device again until it is completely dry.
- Do not clean the device in a dishwasher.
- Do not use any abrasive cleaning products or hard brushes.

### CARE

- Whenever the product is not in use, please store it in a cool, dry place in the original packaging. Do not place other items on top as the pressure could damage the product.

## Disposal

### IMPORTANT

- Batteries must not be disposed of in the household waste. They may contain poisonous heavy metals and are subject to special refuse treatment.
